**The Commercial Services Accreditation Award is awarded to chapters that meet benchmarks representing key commercial services and member engagement activities. Depending on the number of benchmarks a chapter currently meets, they could earn a One, Two, Three, Four or Five Star level. Being one of only four chapters across the country to earn the highest level of accreditation is a direct result of our incredible board members and staff,” said Tonya Brady, 2019 GRRRA-RCA Chair. “We were able to earn such a high level because of their dedication to our mission of supporting members in their business pursuits by promoting the highest professional ethics and being the primary provider for quality services, education and real estate information in Greensboro.”**
